

Canadian Studies 15 First Nations & the Settlement of Canada Practice Questions

These are sample questions. They are in the same format that the questions on your exam will be in, but the questions will be different.

Please make sure you understand how to answer each type of question BEFORE the exam. Ask questions if you need help.

Multiple Choice: Choose the best answer

1. The French settled in:

- a) Newfoundland & Labrador
- b) Ontario & Quebec
- c) Quebec and Atlantic Canada

2. Employment insurance is money given by the government to people who:

- a) are giving other people jobs
- b) lost their job and can't find another one right away
- c) need protection at their job

True and False: Write *true* or *false* on the line beside each statement.

If it is false, explain why on the line below.

3. The term First Nations includes Metis and Inuit people.

4. Assimilation is when people are allowed to keep their language and culture when they come to a new place.

5. A popular business in Canada when the Europeans first came was the fur trade.

Circle the best answer to fill in the blank in each question.
